=====

Completion of the above application, I agree as follows:

(1) In consideration of the granting of this application, I will pay for all water service furnished such tenant, or other occupant of the place named in the application, according to the ordinances, rules and regulations enacted or adopted by Alpine City. I Agree to pay any and all late charges and or collection charges assessed because of failure to pay when due.

(2) By executing this application, applicant also agrees to permit Alpine City to install a water meter and service on owner's property near front property line, and hereby gives his consent to Alpine City through its agents, to enter upon the property serviced by said water system for the purpose of installing meters, reading and maintaining said system and meter.

(3) Applicant also agrees not to place any object or plant trees or shrubs around said meter so as to inhibit the reading of the water meter.
